

2017 ih Limited Warranty

Foretravel, Incorporated (“Foretravel”) warrants each ih Motorcoach to be free from defects in materials or workmanship under normal use and service, subject to certain limitations or additions as specifically set forth herein.

For purposes of the time limitations on this limited warranty, the date of inception of the warranty shall be from the date of delivery to the original purchaser (the “Date of Origination”). For the purposes of the mileage limitation on this limited warranty, it shall be actual odometer miles in addition to the odometer mileage on the Motorcoach at Date of Origination.

What Is Covered

The ih Limited Warranty covers the cost of all parts and labor required to repair or replace, at Foretravel’s option, any ih Motorcoach component defective in materials or workmanship, for eighteen (24) months or twenty-four thousand (24,000) miles, whichever comes first, from the Date of Origination.

Any structural metal members such as chassis rails or cross members and metal members supporting body shell components, such as the floor, sidewalls, front and rear walls, and roof, shall be covered for a total of five (5) years or one hundred thousand (100,000) miles, whichever comes first, from the Date of Origination. Foretravel will repair or replace, at Foretravel’s option, any such items which fail due to cracking, breaking, rust through, or broken welds.

Any warranty claim or failure must be brought to Foretravel’s attention within the appropriate warranty period.

To obtain service under this Limited Warranty, the Motorcoach must be brought to an Authorized Foretravel Service Center, during normal working hours. The Authorized Service Center will repair or replace the defective component using new or remanufactured parts. The decision to repair or replace said component is solely the prerogative of Foretravel, for Foretravel manufactured items, and solely the prerogative of the manufacturer of an item warranted by that manufacturer. Components for which replacements are made become the property of the manufacturer replacing said item.

Components Covered By Other Warranties

The engine, transmission, tires, wheels, and batteries (house and chassis) are not covered under the ih Limited Warranty, but are covered by separate warranties offered by their specific manufacturers. Also, some component manufacturers provide warranty coverage for longer periods and/or greater mileage than that provided by the ih Limited Warranty. Information on these warranties may be found in your Owner’s Information Box or can be obtained from Foretravel Technical Services.

Custom Motorhome Chassis Limited Warranty

What This Limited Warranty Covers

This limited warranty covers repair or replacement, at the sole option of Spartan Chassis, Inc. (hereinafter Spartan), of any part of your new Spartan chassis (hereinafter Covered Parts) in which a defect in materials or workmanship appears during normal use, maintenance or service within the limited warranty period, subject to the limitations and exclusions described below in "What This Limited Warranty Does Not Cover". REPAIR OR REPLACEMENT OF COVERED PARTS BY A SPARTAN AUTHORIZED SERVICE CENTER IS THE EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY. SPARTAN WILL NOT REPLACE THE MOTORHOME OR REPURCHASE THE MOTORHOME FROM YOU. The repair or replacement of a Covered Part does not extend the life of the limited warranty except where state or provincial law otherwise provides for an extension during the time that the Covered Part is being repaired or replaced under this limited warranty.

Covered Parts are limited to chassis systems and components installed by Spartan, including, but not limited to, the driveline, cooling system, suspension, air system and structural systems (frame rails and cross members), and hydraulic system components used in the steering and cooling systems (e.g. pump, filter, reservoir, hoses, hydraulic motor, steering gear, oil cooler) This limited warranty does not cover hydraulic system components used for other systems (e.g. leveling jack system, room slide-out system, generator slide out system, compartment door actuator system). This limited warranty excludes the engine and transmission or any parts or components added to the chassis by another party. In addition to this Spartan limited warranty, original component manufacturers may provide their own separate warranties. Purchasers should check each original component manufacturer warranty regarding its coverage. **This limited warranty is valid only in the United States and Canada. Coverage under this warranty is not subject to proration or deductibles.**

How Long the Limited Warranty Lasts

The original limited warranty is in effect for a period of **36 months** from the first retail owner's date of purchase, regardless of subsequent ownership, or until an odometer reading of **50,000 actual miles** (or 80,467 actual kilometers), whichever occurs first. Certain engine emission components, installed by Spartan and not covered under the engine manufacturer warranty, have a warranty term of 5 years or 100,000 miles, whichever comes first. This limited warranty is not valid if the odometer is disconnected, or its reading has been altered, or mileage cannot be determined.

In addition, this limited warranty is in effect for the chassis frame for the **lifetime** of the vehicle. For purposes of the lifetime frame warranty, a life time is **20 years** from the first retail owner's date of purchase, regardless of subsequent ownership. The frame includes only the frame rails and cross members (ladder assembly), and does not include brackets and hardware attached to the frame, such as the fuel tank mounting, generator slide assembly, or hitch.

Who is Covered

This limited warranty covers the owner of a vehicle equipped with a **2015** model year Spartan chassis. The limited warranty may be transferred to subsequent owners during the warranty period by submitting to Spartan a new Spartan "Chassis Limited Warranty Registration" form (see "How to Obtain the Limited Warranty" below). **THIS LIMITED WARRANTY IS NULL AND VOID IF THE VEHICLE HAS BEEN LEASED OR RENTED FOR COMPENSATION TO ANOTHER INDIVIDUAL OR ENTITY. THIS LIMITED WARRANTY DOES NOT COVER A CHASSIS THAT HAS BEEN SOLD BY AN OWNER OTHER THAN SPARTAN BEFORE IT BECOMES A COMPONENT IN A COMPLETE VEHICLE.**

What This Limited Warranty Does Not Cover

Any implied warranties that arise under applicable state or provincial law notwithstanding the foregoing, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the term of this limited warranty and are limited in scope of coverage to those portions of the chassis covered by this limited warranty.
